

Y.M.C.A. Pool Operator Course ***AMENDED***

July 24, 2009
201 S. Roop Street
Upstairs Training Room
Carson City, NV
9:00 am - 5:00 pm
5:30-6:30pm Testing

The Nevada Public Agency Insurance Pool is pleased to offer this free one day P.O.O.L. (Pool Operator On Location) swimming pool operator's certification course. The course is recommended for pool operators, lifeguards, parks and recreation employees, and anyone generally interested in aquatics facilities.

Curriculum includes:

- Water chemistry
- Disinfection systems
- Chemical safety & hazard communication
- Water testing
- Spa/hot tub operation
- Maintenance & reports
- Nevada State Bathing Code

Register by July 6th if you are planning to sit for the certification exam. Study materials will be sent to you a week before the class.

Instructor: Ralph Johnson, PhD. Dr. Johnson is Dean of the College of Business and Sport Professions at North Greenville University, SC. He was formerly the Director of Aquatics at Indiana University of Pennsylvania for 25 years. Dr. Johnson is an internationally known author/co-author of numerous research articles and textbooks in swimming pool chemistry, pool operation, lifeguarding and aquatic facility design. He has been a consultant to both the American Red Cross and the YMCA in various revisions of their respective water safety, swimming and lifeguarding programs and provides consulting services to attorneys in the United States and Canada. Dr. Johnson has developed swimming pool, spa, beach and water recreation attraction design manuals and bathing place regulations for several counties and states.
